## New! Premium Line of Stain-Resistant Silicone Upholstery for You

You can put it to the magic marker test (seriously).

LDI Interiors, a leader in durable and sustainable upholstery that contributes to healthier commercial interiors, introduces a brand-new line of premium silicone coated fabrics upholstery for your most demanding environments. *EnviroSil® is simply the best stain-resistant silicone-based fabric you can find ...*

- ✓ **Get the Ultimate Stain, Moisture + Flame Resistance:** Perfect for a variety of demanding, high-traffic environments, from corporate to healthcare to higher education and senior living. You can wipe off a Sharpie stain!
- ✓ **Beautiful, From the Inside Out:** Looks great ... and you can feel good about what's inside. EnviroSil® is completely PVC-free and PU-free with no solvents used during manufacturing. Unlike other silicone offerings in the marketplace, EnviroSil® provides superior scratch resistance, seam strength and shows no color change or flex-cracking after years of high-traffic usage. *Lasts up to 7 years with proper care.*
- ✓ **3-Year, 24/7 Warranty:** Discover why LDI Interiors is specified by leading organizations including Google, Kaiser Permanente, H & R Block, the United Nations, Yale and Harvard University. Backed by industry-leading warranties, you can feel good that you are doing something sustainable for the planet + human health while remaining confident that your investment in LDI Interiors upholstery will hold up to rigorous use and meet your long-term performance goals.
